

Fall in Love Like a Comic! Vol. 2 By Chitose Yagami

They all just like Tomoya but they are nice and just had something they really wanted on the inside whether it was their someone they missed or something to help their old friend. And I love how the author decided to show even after what happens that is what I always wonder and it was awesome because it included everyone that they needed to and showed the future of what happens and how they changed. The last part of the book cracked me up but right before it was so cute and I love that it makes you feel like that heart hitting moment Not a surprise but I think 5th grades would feel the same about this book if they were mature enough and teenagers defiantly like it and would want what Rena has because it was such a thing girls think oh and by the way.

But well he's Tomoya's and Rena's kid I hope you'll find some time to read this sweet story I'm going out there to also fall in love like a comic You don't enjoy it to its fullest and don't forget to share your thought below Stay tuned for at Katie's Corner and don't miss your next favourite book or manga Happy reading XOXO Katie Paperback I didn't like it as much as the 1st volume Rena would constantly get jealous in each chapter I didn't think they worked through it very well either It was still silly like the 1st volume though Paperback It's ok It's definitely cute and my students will like the story I may keep it in my classroom because it has tips in the back for how to make your own manga Paperback The story continues from the first volume Rena and Tomoya are now dating What situations await our heroine If you said.

Bought from and I still own a copy. Review Rating 4 out of 5 More like a collection of stories than a general volume Heartthrob Vacation A Small Crush Happy Ending Hiroki's Secret Nana and Mickey's Heart Racing Manga Lesson Bewildered Princess Ease of Reading Text 5 out of 5 Art Touch Up 4 out of 5 Translation 5 out of 5 Design 5 out of 5 Heartthrob Vacation Illustrations 5 out of 5 Plot 5 out of 5 Rena and Tomoya finally confess their true feelings for each other and now they face a new challenge an overnight trip Rena wants to further their relationship but what will Tomoya have to say about it The artwork still looks pretty cute and I still love Tomoya's designs D Though his shoujo manga boy personality is kind of annoying but I like his dominant side xD And Rena remind me of myself the love of smut not the melting P Also the romance scenes are so adorable made me feel as gushy inside Please note This chapter talks about first times and sex but no sexual acts happen unless you count kissing. Overall it is pretty cliché for a shoujo manga but I still found it pretty cute DA Small Crush Illustrations 5 out of 5 Plot 5 out of 5 Shiori a relative of Tomoya's will be staying with Tomoya for awhile However even though Shiori is just a child Rena still gets jealous Will they be able to spend time together without Shiori getting in the way The drawings still look pretty so no issues there for me However I love how the manga ka drew Shiori she looks so adorable D This story is also pretty typical in shoujo manga but I find it funny how Rena tries to compete with Shiori Also the expressions while they interact with each other are just as funny It also still has yummy kiss scenes. Overall it is a sweet story about jealousy but still shoujo cliché Happy Ending Illustrations 5 out of 5 Plot 3 out of 5 Concerned for her grades Rena's mom hires a tutor for Rena When Keiko shows up it appears that she knows Tomoya Why does Rena's tutor know Tomoya Awww Come on you have to know how this ends up without too much detail right Tomoya's ex equals Rena getting jealous again Then you know they have to do something for them to get back together again right Like I said predictable and cliché Oh the art is still pretty Overall I didn't really like the story because it is basically the same as the other one. Hiroki's Secret Illustrations 5 out of 5 Plot 3 out of 5 At Parent's Day Hiroki thinks his parents won't be able to make it However will he be in for a surprise Drawings are still pretty good and Hiroki is very adorable Predictable very So I won't go into that many details It is attached to Tomoya's and Rena's stories though However there is one thing I didn't expect for that one couple that formed. Overall like almost all shoujo manga it was pretty easy to know what would happen SNana and Mickey's Heart Racing Manga Lesson Illustrations 5 out of 5 Plot 5 out of 5 Mickey teaches Nana how to become a manga ka.

Bewildered Princess Illustrations 4 out of 5 Plot 2 out of 5 Saki is very shy but when she talks with puppets she is able to talk normally Takumi the guy she has a crush on is in a puppet show with her However how will she confess her love Art was all right not as good as the other stories Also the plot was very meh so were the personalities However I do like how creative the confession was. Overall this story was pretty average and not as interesting For VIZ's part the stroke around some of the text was too big so I couldn't tell whether or not the touch up was done well or not Also the text placement was kind of bad All of the other things translation etc looked okay D Paperback Cringe doesn't even begin to describe this volume Paperback My feelings are pretty similar to the 1st one but now that I knew what to expect I didn't have very high expectations On the other hand some of the plot elements were similar to the first one Misunderstandings and other women in the picture that aren't actually interested in the guy character Paperback Fall in Love Like a Comic Vol 2 by Chitose Yagami So I finally read the second one and I am sad that this was the end I didn't know it was the end till I read it but I was very worried about it being last because a third book did not come out. But I love how the author had the story definitely got thin to the mind of a young girl and it shows how Innocent Rena is but that she is willing to step up for him because she was lucky to have him but he thought he was lucky to have her treats her well and doesn't want to force anything on her. And of course there had to be drama and I liked how they had drama Also I really liked how they author explained her thinking like why she decided to make the people who try to take Tomoya away from her aren't evil or mean I'd recommend it to girls guys I'm not sure how much they would get out of reading this except some tips to be like Tomoya. If you read the first book you Have to read the second it is just great to follow up it might even make you want to reread the first because the second is a perfect match to the first just like Rena and Tomoya hehehee Paperback Another cute volume Paperback Rena Sakura is a high school student with a secret she's a professional mangaka And although she's never been on a date that doesn't stop her from drawing steamy shojo scenes for Chami magazine But when the gorgeous Tomoya Okita finds out her secret she finds herself asking him out to get some real life experience in love Rena asks Tomoya to be her boyfriend hoping that gaining some experience in dating will help her improve her manga Rena is positive that Tomoya is only dating her to help her out but that doesn't stop her from falling in love Fall in Love Like a Comic Vol 2 name in native language site_link blood type A Yagami sensei's manga debut was in 2001 with Magical Project Her favorite beverages are coffee and tea and she likes drawing name in native language site_link blood type A Yagami sensei's manga debut was in 2001 with Magical Project Her favorite beverages are coffee and tea and she likes drawing site_link

2. Their relationship seems healthy and I like that Tomoya isn't afraid to set boundaries with Rena I do wish Rena asked before assuming and thought before reacting sometimes but if you're in the moment you're in the moment Also the whole I'm melting thing got old fast. It's cute that they end up together in the future Paperback see full review Katie's Corner Mini manga review has another sweet romantic comedy I loved this story a lot The characters are interesting and a lot of fun to read about Especially Tomoya sometimes I really wished he were real He was just a perfect sweet boyfriend. I really wish I could find similar manga to Rena's works What I saw it was cuteness in every aspect I believe Yagami sensei's other works are going to be like that I'll read them sometime soon and if I like them I'll cover them here. The final chapter was awesome when I saw that small kid I fell in love with him He's absolute cuteness the same situations from the first volume again ie

Rena feeling threatened and getting jealous you'd be right. The plot beats are as follows: Rena and Tomoya go on vacation. Rena wants to FUCK be intimate and is upset when Tomoya rebuffs her. Tomoya however is a very chaste hero and wants to wait. Tension is resolved immediately with kisses. Tomoya has to look after a small child who has a precocious crush on Tomoya. Rena becomes threatened and jealous of the small child. Tension is resolved with kisses. Rena gets a tutor. The tutor turns out to be Tomoya's ex-girlfriend. Rena is immediately threatened and jealous of the older woman. Tension is resolved with kisses. A fucking full on mock wedding. Finishes up with an after story of Rena, Tomoya's child at a Parent Day at school. omgee they grew up to be successful and hot who'd've thought and a bonus story of some kids with puppets doing a play. I don't know my brain glazed over. 1.5 Fall in Love like a Pile of Dogshit Paperback .

, Also i loved how they author made rena so funny and tomoya funny but also so perfect with her: The drawings are very well done and helpful. Basically they were very short sort of helpful and cute tutorials. It was pretty interesting to read: Honestly Rena overreacts to almost everything. The art style is fine. Rena's eyes take up half her face and Tomoya is handsome in that 2000s manga male lead way. APART OF THE GOODREADS 2012 READING CHALLENGE.5 This gets points for being nostalgic.
