Gave him money and looked after him during his impoverished years and how mortified I was when he abandoned her the minute his genius was recognised I was super happy she tried to shoot him He deserved it I m sure if I read it now I d be appalled by its lack of literary merit but I ll never do that because it s one of those precious memories you never want spoiled 9780002211062 Check out my review of this splendid book on the following link 9780002211062 Meni iskreno nije legla ili sam imala previ e o ekivanjajane posle Vird inije Vulf i D ejmsa D ojsa koje sam tada itala Ono to mi se svidelo je to to sam nau ila milion puta vi e o Debisijevom ivotu nego to sam znala mada ruku na srce nisam znala ni ta Prijalo mi je na momente jer je je na knjiga.

### **Auteur de au clair de la lune**

I gave this 5 due to the fact it has become an almost comfort novel given to me shortly before my grandmother past upon finding me listening to clair de lune on my turntable I adored the book and carried it around with me until I finished it and safe to say it will always stay in my head A brilliant novel on a brilliant man 9780002211062 Beautiful book It portrays life of Claude Debussy You become strongly attached to the character his life struggles and devotion to music and creativity The story is beautifully written you are transported in time to magical Paris from the late XIX century Since Pierre la Mure is my favorite author this book is one of the best I have ever read 9780002211062 This book started off wonderfully describing Debussy s relationship with his aunt his disconnect from his family and his troubles at school It continues to be so but at some point towards the middle the book starts stretching itself too much It spent much to long on descriptions of his romantic life which the only word that can describe it is bad and his failures less on his music and his aspirations as seen earlier in the novel At some point it becomes so repetitive so tiresome that you have a hard time trying to not drop it Four hundred pages is simple too much for a novel that centers itself mostly around the romantic life of one person This novel could have been great but the second half was what truly lowered it s rating for me 9780002211062 Ovo je tako obecavalo u prvih pedesetak stranica a onda agonija zbog zanemarivanja muzickog genija od strane autora i citave tri stotine stranica protracenih na promiskuitetnu stranu njigove licnosti i soap opera

momente Debisijevog zivota I taman kad sam pomislila da necu moci da pregrmim jos jednu aferu poslije citave te plejade zenskih likova i da cu knjigu odloziti na policu da skuplja prasinu desila se Su su Koliko ljepote je La Mir unio u taj mali lik a da mozda toga nije bio ni svjestan zaradivsi Mjesecini bez Mjesecine vise Sve u svemu lijepo stivo za ljubitelje ljubica Ja u njoj izuzev Su Su nisam nasla ono po sta sam dosla 9780002211062 As a piano player I ve always been fascinated by Debussy s music The music was divine and I just had to find out the background of it So I went to our local library and got this book. **Le clair de lune** At first I was charmed Charmed with the descriptions with the narration But as the plot went by I ve realized that this book is nothing than a romance novel A cheap one Of course I finished the book but the only thing this book left me was the impression that Debussy was a deeply immature man and that s certainly not something you want to think about when it comes to your favorite composer. **Clair de lune easy piano tutorial** I don t think the book s worth reading if you re a fan of Debussy s music If you like romance novels which I don t you might find this one interesting 9780002211062 Mesec i 14 dana Toliko mi je trebalo da zavr im ovu knjigu Da budem fer moglo je br e ali imala sam takve dane da je prosto eto ispalo ovako Me utim uz sve to re eno ova knjiga je uprkos svemu bila pravi pogodak Mnogo sam puta itala istorijske fikcije iz Pariza sa kraja 19 i po etka 20 veka i ni jedna nije ispunjavala moju fantaziju o tom periodu i tom gradu kao ova Iskrena da budem za kompozitora Kolda Debsija sam samo ula ali nikada nisam poslu ala ni jednu njegovu kompoziciju me utim njegov ivot prene en u ovom delu me je luda ki zabavljao Knjiga po inje prakti no pre njegovog ro enja njegova tetka koja nalazi na in da priu ti sebi lagodan ivot odlaze i od jenog do drugog bogatog ljubavnika se potpuno i svim srcem zaljubljuje u svog malog bratanca i odgaja ga kao svog sina u malom stanu u Parizu gde i otkriva njegov neverovatni talenat Ba njegova tetka bi e prva zna ajna ena Debsijevog ivota a celu knjigu mo emo podeliti na ene koje su ga obele ile Kada ona umre on odlazi kod oca postaje najmla i lan presti ne muzi ke kole U to vreme ocene multi talentovanog de aka po inju da padaju uglavnom zbog psihi ke torture koju trpi ku i ipak on po inje da leti daje asove jednoj kraljevskoj porodici iz Rusije gde se on prvi put zaljubljuje u Sonju k erku porodice Sonja i Kold se vole mnogo to je ta nevina i lepa mladala ka ljubav gde veruje da je apsolutno sve mogu e On i naredno leto provodi sa njima gde njih dvoje pri aju o ven anju i da e zauvek biti zajedno pa onda i leto nakon toga ali ovaj put Sonjina mama je svesna svakog lepog momka oko svoje k erke i tako se snovi raspadnu Kold e ve u kasnim 40im utuju i na turneji po Rusiji opet sresti Sonju sada kako on ka e te ko prepoznatljivu govori e o ivotu i se a e se svoje mladosti ima jena sjajna re enica koja mi se tu dopala i koja jako lepo predstavlja raskid Dok se vra ao u palatu gotovo je alio to ju je ponovo video Taj susret ose ao je bio je kao etnja po groblju ena bankara Ironi no za razliku od svih prehodnih mi nemamo ba prilike da upoznamo Emu i njen karater ali ono to je poznato je da su se mnogo voleli I tako se zavr ila pri a o gospoinu Debsiju Pri a koja realisti no i uzbudljivo prenosi Pariz iz mojih snova i ba sam u ivala u njoj Ako ste umetni ka du a i ve iti sanjar koji je izgubljen u vremenu i prostoru poput mene obavezno je pro itajte u iva ete sigurno 9780002211062 Fantastic read I found this story so absorbing and atmospheric plus it filled me in on a few details of the life of Debussy who it is about It is also painfully close to the bone and poignant for any creative person in many ways If you like classical music France or stories about genuine people struggling to have meaningful lives then this is for you 9780002211062 The first novel I remember loving to bits I think I was about twelve when I read it I loved Debussy for having no money at all for pursuing his dream in spite of his wretched conditions for living in a garret As a romantic hero he ticked every box In fact he was probably the first big love of my life I can still remember how moved I was by the poignant relationship he shared with the hooker Gaby who fed him nije ne to mnogo te ka i onda to dopu ta da se kontinuirano ita Me utim u jednom momentu mi je postala straaaaaaaaa no hladna jer nije imala nikakvu razdradu lika samog Debsija realno roman je ne mora i ne mo e 100% ta no da mu se ocrtaju misli al bar NE TO osim Debsija nije razvijen ni jedan drugi lik svi su bili nekako dvodimenzionalni bez neke dubine pogotovo je to bilo tu no jer su gomila likova bili ene koje nisu bile lik za sebe nego uvek nekako zavisne od Debsija na nerealan tipi an malegaze na in U svakom slu aju dobra knjiga za odmor od kvalitetnih te kih knjiga jer nije kr ali definitivno postoje bolje 9780002211062 Clair de Lune Pierre La Mure 15
