

Other Side of the Stars By burton-hill-clemency **Other Side of the starsboro** Maybe she thought that because Lara has a lot of things to deal with in her life that the readers would forgive her but I can't! Apart from being annoyed by Lara's actions the rest is a really good read. **Other Side of the starsboro** The characters are not likeable (all the protagonist Lara seems to do to cry smoke feel 'lost' smoke a joint smoke be annoying and repeat) so it's hard to care for any of them,

But it gets better in the last 100 pages if you can stick it: **Other Side of the starsaber** I also found the 'jumping' from the present to past to back again annoying as it left big gaps in the storyline, **Other Side of the Stars kindle** English ***spoilers***This book had me so frustrated! I loved it and hated it all at the same time: **Other Side of the starsalts etsy** I wanted to scream at Lara when she falls for her co-star Jacob because she has this really loveable boyfriend called Alex who calls her things like 'monkey'. **Other Side of the starsbook** English A satisfying novel.

Other Side of the StarsI loved this book, **Other Side of the starsalts etsy** Yes it was easy to read but not at all as predictable as what I thought it would be: **EPub Other Side of the starship** Great summer day read! English I was disappointed with the ending of the book: **Book Other Side of the starship** The book started out strong full of promise to be truly great. **Book Other Side of the starship** The book towards the end had captivated me especially as the revelations were revealed and twists appeared that I hadn't guessed: **Other Side of the Stars book review** Lara and Eve were great characters and I loved how their stories intertwined through the different parts of the book. **Other Side of the Stars pdf** Daughter to remake dead mother's iconic movie and find out more about the strange circumstances of her mother's death. **Other Side of the Stars kindle store** Oliver is detached Eve is melodramatic and Lucas and Alex are barely 2-dimensional: **Other Side of the Stars ebook reader** Even Eve whose story we learn through different parts isn't represented sympathetically- no we are just more confused as to her mood swings. **Other Side of the starsalts etsy** The book isn't brilliantly written full of interesting characters and credible descriptions of places and events: **Other Side of the starsboro** English Lara Latner has grown up in the shadow of her late mother the talented actress Eve Lacloue, **Other Side of the Stars epub** **air** When Lara is offered the lead role in an American remake of the film that made her mother a star she must confront her family's past, **Other Side of the starsalts etsy** Burton-Hill's depiction of the effect Eve's tragic death has had on her family is refreshingly realistic and makes for an addictive read: **Other Side of the starsalts etsy** English this is more in depth than a standard holiday read, **Other Side of the starslayer** I thought it was incredible and I felt by the end that Lara was so well rounded and well written that it was like she was in the room. Clemency writes so you like Alex alot. But the epilogue left me feeling of was that it. English The idea was good. Unfortunately this book doesn't live up to the hype. I enjoyed it. She may be one of my fave characters in a long time. English
