

Rattlesnake Road (The Road Series, #1) By Amanda McKinney **Rattlesnake rodeo texas** After suffering a miscarriage and getting fired after a drunken outburst at work Grey starts to re-evaluate her life and her first step is to leave her cheating husband and her luxury life behind. **Rattlesnake roadzen inc** Grey Dalton's character is fantastic; sarcastic and funny I was drawn into her life and wanted her to succeed anxious over her set backs With two love interests introduced one promising her the life she had left behind but the one she was used to and attracted to whilst the other offered her a new beginning where she would have to come to terms with her inner turmoil. **Rattlesnake road nc** Rattlesnake Road had me glued to the pages there was plenty of fun banter between the characters a bit of harmless snark that kept me laughing a great twist that had my heart racing and one swoon worthy male that melted my heart. **Rattlesnake point road closed** *I received my copy from the publisher via Netgalley Rattlesnake Road (The Road Series #1) ***Thank you to NetGalley and the publisher for providing me with a copy of this book in exchange for an honest review.

With that said I enjoyed this story of hitting rock bottom and climbing back up with lots of mystery and romance as well. **Thriller Rattlesnake road** It gets really weird and twisted and I didn't guess what was going on surprisingly! This was an all round good time Rattlesnake Road (The Road Series #1) Thank you netgalley for the review copy.

Rattlesnake Road (The Road Series #1) Trigger Warnings: Miscarriage Adultery Violence/Self Harm Alcohol Abuse Questionable (rape?) sexual encounter Murder of an animal in the past (bares no relation to the MC) & Murder of a little girl in the past (bares no relation to the MC). **Rattlesnake road book** It's my first time reading this author our heroine is a hot ass mess yeah she's going through issues in her marriage and stuff but dang I didn't like her the love triangle vibes i thought we were gonna get wasn't really there that aspect of the storyline was weak AF. **Rattlesnake road north carolina** Rattlesnake Road (The Road Series #1) I read this book a couple of weeks ago now but haven't had a chance to write the review now and even then I am struggling a bit. **Rattlesnake review** However going into it - I clashed with the main female lead as I found her one of those spoiled housewives who eventually realize that she doesn't like the way she has turned out and so she packs and leaves and starts again. **Rattlesnake roadvo** Our main character didn't come from money and was at a point a hard worker and then she married a rich and wealthy husband course the next part is very cliched - she fell into the role as a rich man's wife and then one day experienced a tragedy that caused her to wake up from her stupor and discover her whole life was a sham and then she leaves her husband and settles into a small-town where she secretly had brought a fixer-upper cottage for herself. **Rattlesnake Road publishing** We also learn that due to Grey's life with her husband the bottle aka alcohol became her best friend and soon she will find herself always needing that next fix

and soon the drinking will cause her to lose everything including a job she did at one time love but as she won't stoop to the level of the others and sleep with the boss - that was at a standstill too. **Thriller rattlesnake road london** Rattlesnake Road is one of those slow slow-burn romances as it doesn't seem to hit any peak until about 60% through the story which personally for me is too late in the novel to pick up as normally I would have quit within the first couple of chapters if things haven't picked up as I am more attuned to faster-paced novels. **Rattlesnake road rockport tx** Overall if you love books that focus more on the character development and growth than romance and action - then you will feel right at home with Rattlesnake Road by Amanda McKinney. **Kindle Rattlesnake road trip** Rattlesnake Road (The Road Series #1) DNF @ 14% I've heard so many things about this book and was definitely excited to get into it but unfortunately I had hard times getting into this book. **Rattlesnake road oregon** Set in small Southern towns Amanda's books are page turning murder mysteries peppered with steamy romance She lives in Arkansas with her handsome husband two beautiful boys and three obnoxious dogs,

I am so grateful as this was one hell of a story. Raw gripping real this romantic suspense is a must-read. This book exceeded all my expectations. The characters are amazing well developed and real. The story is told by 30 year old Grey. Grey is struggling. I blamed myself. So I drank. I thought I had it under control. until I lost my job. In an old dilapidated house with limited funds. I was back there. Lucas is rich ruthless selfish and ambitious. Declan is serious brave supportive selfless. It will make you think. It will make you feel. It will make you cry. And it will make you hope. And the audio narration is amazing. It will drive it home. Trigger warnings for alcoholism miscarriage sadism depression. It did get easier though. I must say this did put me off. So sad I didn't feel that way for this one. I must say that the author nailed the mystery aspect. So fair warning before going in. I do not want to spoil anything in this regard. The storyline was pretty romantic as well. Just go in this one blind. I had a good time reading this one. ☐ Everyone hits rock bottom only the brave escape. Welcome to 1314 Rattlesnake Road. One will steal her heart the other her soul. 4.5/5 I didn't see any of THAT coming. I felt for Grey. What did I like? - Declan. Forget like I love him. What a freaking man. (Except for the feet fungus. That was hilarious though.)- Engaging story. I loved McKinney's writing style. There was an obvious distinction between all her characters. The imagery used was just beautiful.)- Angst between Grey and Declan. Two polar opposites. I love that trope. - Dialogues. Do I have to say more?- The amount of research. Just ah. the back story behind that tied it all together. It piqued my interest in the book. -Depiction of mental health & alcoholism. Not very easy to do justice to such deep topics. What I didn't like? - Grey. Her actions just pissed me off. Overall I enjoyed the book. Blog: <https://periwinklepens.wordpress.com/>. It took me days to finish this storyline. So sad. Anyway thank you NetGalley for the review copy.
